Marshall-Caldwell Reunion

The Marshall - Caldwell family reunion was held as usual on Labor Day Sunday, Sept. 3, at the home of the late Mr. and Mrs. H. E. Marshall, Spout Spring.

The welcoming address was given by Mr. Ben Marshall, the vice-president, in the absence of the president, Ed Caldwell, who was unable to come due to illness of his son. Ben also read the names of the members who had passed on since the last meeting, and the names of those who were ill were read.

The invocation was given by Mr. James H. Ware, Jr., of Liberty Baptist Church, afterwhich a bountiful picnic lunch was served under the spreading oak lawn on picnic tables. There were about 200 members and friends present.

A small gift was awarded the two oldest ladies and the two oldest men present.

Mr. Perren Marshall, of Roanoke, present owner of the place, with his bride of several months, proved to be a lovely host, and hostess for the occasion. The next reunion will be the 24th meeting.

Farm Survey

A farm-to-farm survey is now under way in Appomattox County to obtain 1959 and 1960 crop acreages for use in setting farm base acreages under the 1962 feed grain programs for barley, corn and grain sorghums, W. D. Hix, III, Chairman of the Agricultural Stabilization and Conservation Committee, has announced.

Mr. Hix asked farmers who have not already made a report to the ASCS office to be prepared to explain this report in the next week or ten days. He explained that the survey is being made at this time in order to get information for signup under barley programabetween September 15 and December 1. Signup under the 1962 feed grain program for corn and grain sorghums will be conducted early in 1962.

Appomattox County is one of the 34 counties in Virginia which were recently designated as additional major feed grain counties. At the time of the 1962 signup under the corn and grain sorgnum programs, there were only 17 counties in the State designated as major counties and for which an acreage report was required for each farm in the county.

Mr. Hix said that there were 5 reporters visiting farms to obtain data on all crops in 1959 and 1960. These reports are also taken at the county in the ASCS office. The information obtained will be reviewed by ASC committeemen and used as a basis for establishing individual farm base acreages and payment rates. For this reason it is highly important that farmers submit accurate information. Each farmer who has signed an acreage report will be informed of his base farm base and payment rate so that he may decide whether he wishes to participate in the program before barley seeding time this fall.

The suspicion of lness is often more damaging to the average human being than the knowledge of illness.

538 Enroll At A. H. S.

Appomattox High School opened its new session this week, and an opening day enrollment of 538 pupils was reported. The opening activities passed off smoothly, and pupils were assigned to their home rooms, and received book lists. The enrollment was in line with expectations. A. H. S. has a new principal this year, Mr. Frank Chuchek, and his long experience as a principal was evidenced as the new session began.

There is every indication that A. H. S. will have a most succesful school session.

Junior Club Entertained

The Appomattox Junior Woman's Club had a covered dish supper at Parkway Restaurant Tuesday evening, Sept. 5, entertaining 15 prospective new members. The guests included: Mesdames Betty Dale Phelps, Barbara Guill, Emily Parkey, Ann Ferguson, Winifred Agee, Gloria Blythe, Louise Lawson, Nancy Carson, Carolyn Smith, Jeanne HuntleyGeraldine Mitchell, Nina Beasley, Ilene Rothgeb, Lilly Steer, and Mrs. Jerry George.

The regular meeting for this month will be held on Sept. 26, at Parkway Restaurant.

Bloodmobile visit Appeal

That the visit of the Bloodmobile to Appomattox County is vital to our needs is using a mild term, according to local Red Cross leaders.

The blood bank has provided the necessary blood for the annual crisis when needed, and will continue to do so, if we all realize the importance of this matter, and volunteer our donation of blood.

Our quota is 125 pints, and the county should have no trouble raising this amount.

Please do your share, by your presence at the next visitation on Friday, Sept. 8, at Liberty Baptist Church in Appomattox, between the hours of 12 noon and 6 P. M.

JULIAN A. MANN

Julian Abner Mann, 61, a carpenter, died Saturday morning in Virginia Baptist Hospital in Lynchburg, Born in Appomattox County Dec. 14 1899, he was the son of John D. and Mary Chenault Mann. He was a member of Liberty Baptist Church. Survivors in addition to his mother are his wife. Mrs Bernice Grey Mann; three sons, Harold Mann, Bradley Mann and William Mann, all of Appomatoxx; and two daughters, Mrs Betty Mann, and Miss Mary Catherine Mann, both of Appomattox; two brothers, Rossell Mann, Appomattox, and John Randolph Mann, U. S. Army, stationed in Germany; five sisters, Mrs. A. F. Godsey, Mrs. Willie Chernault, of Appomattox; Mrs. W. R. Cyrus, Mrs. Otha Daniel, and Mrs. W. G. Robertson, all of Lynchburg.

Funeral services were conducted Tuesday at 4 P. M. at the Robinson Funeral Home by the Rev. James Ware. Burial was in Liberty Cemetery. Pallbearers were Curtis Mitchell, Walker Martin, Robert Doss, George Cheatham, Arthur Blackwell, Tom Ranson, Charlie Carter and Jhonny Cyrus.

Demonstration Schedule

The schedule of meetings of the Home Demonstration Clubs for the week follows:

Automated steel mills planned in Soviet.

Appomattox is the banner county in the fabulous area producing dark-fired leaf tobacco. Appomattox is followed by Charlotte and Prince Edward in this belt in historic central Virginia.

As of now, farmers are either started or are ready to start the harvesting of their 1961 crop. A drive around in Appomattox County yesterday, revealed that the harvesting of the big crop is a major item on the agricultural agenda.

General opinion: "It is going to be a big crop." All seasons are more or less irregular, and there are some top yields and some only average or fair. But by and large, 1961 is going to be generally good, in fact, it is being freely predicted, that the yield in the Dark-leaf Belt this year will be a million pounds over that of last year — reaching upwards of ten million pounds. Last year, dark-fired tobacco pumped some 3,500,000 into the economy of this belt, It could go higher this year.

To harvest the crop, in the best conditions, warm and clear weather is desirable. Some 20 per cent of the crop is already in-gathered, it is estimated. If buyers on the markets at the warehouses are looking for good Darkleaf, they should find it available this selling season.

Last year, the average yield per acre in the belt was 1,321 pounds. That high mark could possibly be exceeded this year.

Growers, generally, may re-sil a government "support" price last year of $38.80, Many growers did much better than that.

Darkleaf markets are located in Farmville, Lynchburg, and Blackstone.

Allotment Bill Passed

Washington — Representative W. M. Abbitt (D.-Va.) has announced that the Congress, House and Senate, have both completed action on the bill permitting the transfer of tobacco allotments.

Abbitt said, "I am highly pleased that both the House and the Senate have taken action to permit for the years 1962 and 1963 the rental of tobacco acreage allotments, which should be of benefit to tobacco producers generally. All possible safeguards were inserted in the bill so as to protect the tobacco program, which has been of tremendous help to the entire industry. The bill as finally passed permits for the years 1962 and 1963 the owner to rent or lease his allotment within the county to another farmer who has an allotment of the same kind of tobacco but no more than five acres of allotment may be leased or transferred to any one farmer. The acreage is considered as been produced on the farm from which the allotment is transferred for purposes of future allotments and referendum voting rights."

Abbitt further pointed out that "the bill as finally passed does not apply to burley tobacco because the Senate specifically exempted burley tobacco before it passed the bill and the House accepted the Senate amendment." Abbitt noted that this amendment would have very little effect in central and southside Virginia.

The Fourth District Congressman stated that "this transfer is on a purely trial basis, and if it works out satisfactorily it can be enacted into permanent legislation. If it does not work out satisfacorily, then the law expires at the end of the 1963 crop year."
